ACKNOWLEDGEMENT OF COUNTRY

Peakhurst Public School acknowledges the people of the Tharawal Nation, who are the traditional custodians of the land on which the school is built. We would also like to pay respect to the Elders past, present and future of the Tharawal Nation and extend that respect to all Aboriginal people involved with Peakhurst Public School.

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

Today we welcomed our kindergarten students 2019. There were a few tears...mainly from mums and dads but overall what a lovely settled group. They look terrific in their new uniforms.

I have included in FOCUS another copy of the information I sent home on Wednesday.

Updated Information

If your details have changed recently would you please let the Administration staff know. This is particularly important if there are new phone numbers, contact details or changes in health plans. Additionally, if there are any Court Orders, please provide updated copies.

BYOD Devices

A note will be sent home early next week giving you information about BYOD devices and Apps that will be used by the students in Years 3-6.

P&C

Our next P&C meeting will be held on Monday, 18th February at 7pm...usually in my office. It would be wonderful to welcome new faces. It is a great opportunity to learn what is happening in the school.

Improvements around the School

Many of the classrooms in C Block were painted at the end of last year and so were fresh for students to move

into earlier in the week. I have signed the contract (and paid for) the new shade structure to be erected over the sandpit area in the Support Unit playground. The structure is quite large and will be made from PVC, so waterproof. It will be installed in the first week of the next school holidays. Gary and Richard, our hardworking General Assistants cleared out lots of unused furniture and rubbish over the school holidays and the school is looking smarter for the start of the new school year.
