PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

Isn't it nice to have a bit of relief from that oppressive heat!

It has been great to see so many attending our 'Meet the Teacher' information nights. I hope you have found them helpful. I look forward to seeing more parents and carers at the Support Class, Stage 3 and PEG nights over the coming couple of weeks.

Please note the change made for the Stage 3 and High School Information session at Peakhurst PS. This is now being held on Tuesday 5th March at 5:30pm to accommodate the High School Open Nights. A note has been sent home to all Stage 3 students.

Congratulations!

Congratulations to Kenzy who successfully trialed at the Georges River Basketball trials and has been selected to move to the Sydney East trials! We are so proud of you!

Therapists at School

Often we have therapists who work with students during school time to enhance learning. It is often difficult to get appointments after school and slot the therapy into an already busy schedule. At the moment we are working on a package for families who would like their child to access a therapist during the school day so that you have all the information necessary when making a decision. While not all students accessing therapists at Peakhurst are working with an NDIS plan, the NDIS has added another layer for families to work with.

Approaching Children who are not Your Own

As a parent you want to protect your child at all costs. However, you are not permitted to speak with another child or intimidate another child through looks or gestures even if you believe that child has done something to your own child. Please approach the class teacher or the executive to report any incidents and we will investigate and work with all parties to remedy the situation.

Bringing Dogs into the School Playground

Can I please ask parents not to bring dogs into the playground of a morning or afternoon. Thank you for understanding.

Sally Lawson
Principal

SCHOOL PHOTO DAY

School photographs are scheduled to be taken by advancedlife Photography. Whilst an envelope and flyer will be distributed shortly, if possible it is our preference that ordering be completed **online** to reduce administration and potential security issues related to the return of cash and envelopes on photo day.

Orders for packages and sibling photographs can be placed securely online at www.advancedlife.com.au using our school's unique 9 digit Online Order Code. Portrait and group package orders are due by photography day.

Should you wish to purchase a sibling photograph online, the order must be placed no later than the day before photography day. Sibling photographs will only be taken if an order has been placed.

Should you have any queries concerning school photographs or online ordering, please direct them via email to enquiries@advancedlife.com.au
