BYODD Note

Please return the BYODD note as soon as possible.

P&C

Our first P&C meeting will be held on Monday, 17th February at 7pm in the office. This is our first meeting and so will be the AGM. It would be great to see some new faces join us. You don't need to take an office position but the present committee positions will be spilled if you are keen to join P&C in that way. While P&C contribute to the school through fund raising, it is also a vehicle where community voices can be heard and ideas shared.

Uniform Pop-Up

Lots of families took the opportunity to stock up on uniforms on Tuesday at our first pop-up shop. I hope you are finding our new arrangements with Claudine easy to use and hopefully it works well for you.

Parent Teacher Interviews

This year we are going to trial having interviews at the end of Term 1. Reports will still go home at the end of Terms 2 and 4 and parents are still able to make appointments with teachers at any time to discuss issues or concerns. We feel that by having a formal arrangement earlier in the year information can be shared sooner rather than later.

ACKNOWLEDGEMENT OF COUNTRY

Peakhurst Public School acknowledges the people of the Tharawal Nation, who are the traditional custodians of the land on which the school is built. We would also like to pay respect to the Elders past, present and future of the Tharawal Nation and extend that respect to all Aboriginal people involved with Peakhurst Public School.

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

Information Evenings

Information nights will be held in Week 3. They are an opportunity for you to meet your child's teacher and learn about those things planned for the school year. It is also a good way of finding out processes for each class. Please keep any personal discussions with your child's teacher for another time. The information sessions are designed to be more general in nature.

Parking and Driving Around the School

A reminder to drive within the speed limits when moving around the school during drop off and pick up time. Both Greenlands and Bailey are narrow and difficult to negotiate as you well know and this makes it more dangerous for our students. I am still waiting to see if we are getting a 'lollipop person' for Bailey. **Please do not park in other people's driveways or in No Standing Zones.** If you gather with friends in the afternoon for a chat, please take your rubbish with you.

The Oatley West Netball Club invites you to join our club!

We are part of a local netball competition, where we encourage all players to improve with each game and enjoy the social aspect of belonging to a fun netball community!

We also break for school holidays. We aim to keep costs low, and the registration fee is just \$60 per child. The **active kids** voucher may be used.

Registration for 2020 closes on Tuesday 3rd March, and the first game of the season is on Saturday 28th March. To express your interest or ask questions, please email Sophie Anderson (Club Secretary) at ownetball@gmail.com.

The simplest way

... to choosing a SunSmart hat

SunSmart hats such as a bucket, broad-brimmed or legionnaire styles are best.

A SunSmart hat not only protects the face, head, neck and ears, but can reduce the amount of UV reaching the eyes by 50%.

Warning: baseball caps expose the checks, ears and back of the neck to harmful UV radiation.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
