

Class Dojo Permission Note

All classes have created a **private** Class Dojo account in order to effectively share work and communicate with parents. You will have received information about Class Dojo in a previous letter.

At this time, your child does not have permission to publish on the internet. We would like to seek your permission for your child's photo and work to be published on their Class Dojo class page.

If you would like your child's work and photo to be published and shared with you, please complete the following permission note.

Kind Regards,

Mrs Allisse Schafer & Mrs Jan Reardon
Class Dojo Coordinators

Ms Sally Lawson
Principal
