

Travelbugs Workshop

Dear Parents and Carers,

On **Wednesday 25th March 2020** all of Kindergarten classes will be attending a hands-on workshop at school presented by 'Travelbugs Mobile Minibeasts' They will be given opportunities to engage in a range of activities and build their knowledge on the wonders of bugs.

This workshop supports the content we are learning about in Science and is specifically related to our Science Living Things unit, 'A Bug's Life'.

The cost of this workshop (\$12) is included in the Term One invoice. If you have any questions regarding payment please see the administrative staff in the school office.

This workshop has the approval of the school principal.

Thank you,
Mrs Schafer
Assistant Principal

Please detach and return to your child's teacher by Wednesday 11th March 2020.
